<u>English Creative Writing</u>  (If you can, please send me your acrostic poem creation of Quarantine by email- I would love to see it- don't worry if you feel you cannot rhyme it- acrostic poems don't have to rhyme- it's your own unique creation.)  Also there is no pressure to create the perfect poem- just give it your best shot-if you cannot send it on, don't worry either! You can take a few days to create this poem; write a few words/ sentences per day perhaps!	This week I would like you to make an acrostic poem using the word QUARANTINE. This is a big word that you might have heard in the news these days. It's what we are all doing at the moment, staying in isolation, away from everyone! Your poem doesn't have to rhyme or have long sentences- one word per letter is fine too!  <u>For example:</u> Quiet days in sunny May, Utterly boring lying in the haze, At home but we won't whine- Reading books to pass the time.
Creideamh Decade of the Rosary: One Our Father, ten hail Mary's and one Glory Be	The Pope has asked everyone to say a decade of the Rosary each day for the month of May- perhaps you could say a decade today with someone at home.
