8<sup>th</sup> September 2020

Dear Parents

Please find enclosed advice received from the HSE this morning. It relates to the procedures to be followed in the event that your child is referred for a Covid-19 test and subsequently tests negative.

This advice should be followed in conjunction with yesterday's letter on the procedures to be followed in the event that your child shows symptoms of Covid-19.

I recognise that this is a stressful time for parents and staff as we all work together to keep Covid-19 out of our school community. However, I hope that the advice sent home over the last two days, will assist people in making decisions regarding whether it is safe to send children to school or not.

Please refer regularly to our Covid-19 information page on our school website [www.lyrenationalschool.com](http://www.lyrenationalschool.com) for information and updates. We endeavour to bring you the information from the HSE as soon as we receive it.

If you have any concerns about your child, please feel free to email or telephone me for a chat  
Yours sincerely,

***Noreen Duggan***

Principal
